ARCH 497I  
Interior Design Internship

All students enrolled in the Interior Design Program need to complete an approved Internship as part of their professional requirements. Students are not eligible for an internship until they are enrolled in, or have completed, IDES 351, Interior Design Studio II. The requirements for an internship and a copy of the application form are available in the Undergraduate Student Guide.

Arch 497I is offered during the summer only.
